

EMBASSY FESTIVAL RULES AND REGULATIONS

Due to the COVID-19 virus and government measures, the regular Embassy Festival is not possible. That is why we chose to organize the Experience where visitors can enjoy everything that the Embassy Festival has to offer in a terrace setting. We can only allow a limited amount of visitors to the festival area, with fixed seats and a ticket. The safety of our visitors, artists and employees always comes first. Therefore we have drawn up these rules & regulations. These rules we have to adhere to together to make sure the festival takes place in a safe way. By entering the Embassy Festival, you agree to these rules.

Before you come to the Embassy Festival, ask yourself the following questions:

1. Do I currently have a fever and/or shortness of breath, cough or a nose cold?
2. Do I currently have a roommate with a fever and/or shortness of breath?
3. Was I diagnosed with the coronavirus less than 7 days ago?
4. Was I in contact with a roommate / family member with coronavirus related symptoms with whom I have been in contact with in the past 7 days?

If you have answered one or more of these questions with 'yes', you will not be allowed to enter the festival area. We kindly ask you to not even come to the Lange Voorhout in this case. At the entrance these questions will be asked.
